

# Hoosier Introduces Vintage Tire for Formula B Class

**LAKEVILLE, IN** – With the increase in Vintage and Historic Class racing, Hoosier Tire has introduced specifically designed race tires for the Formula B class vehicles which will be added to the Vintage Treaded tire line and to fill the void of other tire manufacturers size options. These tires will be made with the track tested R35B tread compound which offers maximum grip and durability for multiple race weekends. The tire has the vintage tread pattern widely accepted among many vintage organizations. Lastly, the construction offers the high level of performance for any level of vintage driver. Both sizes are available to purchase through our distributors.
